# ABOUT US

We at Dheeran group consider each wedding a unique project that will create limelight memories. We assist with all kind of wedding services from engagement to honeymoon trips with top notch perfection and most importantly, as per your taste and expectations.

Dheeran Group is one of the most prestigious firm which has established its roots deep. The company set foot in the business sphere with Real estate, Transport and chits in 1996 and propounded with dealing in Metal scrap Trading in 2005 and succeeded by construction in the following year.

We are now initiating our new endeavour as wedding event planners. We have 22 years of experience in the Indian Trade Industry.. We have sources that contemplate the finest of things.

Our wedding event planners team consists of experience hands , who will help you to create that day you dream of and the experience you envision Like Midas Touch, we blend our skills with your vision to create flawlessly executed weddings

## INVITATION, GARLAND DESIGN

We design Invitation cards that express your personalised emotion and taste. Garlands decorate the bride and groom better than any ornaments and our designs speak well. Nothing expresses the personalized emotion better than words on an invitation card. Our designers will help you bring it out in the most unique and elegant way.

## DESTINATION WEDDING & STAGE DECOR

You choose the place and we give you the breathtaking wedding experience. We ensure sophisticated, elegant and theme based stage and venue decoration which will leave you overwhelming for sure.

In the modern era, photos mean everything. They are the guilty pleasure to almost everyone regardless of the age. We help you capture the most earnest moments of your life.

## CATERING

Food is the symbolic of love, when words are inadequate...  
Our catering crew offers a wide range of delicacies.  
Customize your own menu for the people you love!!

A group of people in traditional Indian attire are celebrating at night, holding up fireworks that are exploding in the air. The scene is festive and brightly lit by the fireworks and ambient lights.
